<p>General Comments</p> <ul style="list-style-type: none"> - Visit completed at the facility in the morning for a monitoring inspection. - The ratio was respected during the visit. - Positive child guidance was observed during the visit. - Parents of the children present at the centre are granted entry at any time. - Indoor play area materials and equipment are varied and in sufficient quantity for all children present. - The indoor space is safe, and the material is well maintained. - The facility has the proper number of functioning and available toilets and sinks. Children are always supervised when using the washroom. One training seat is provided. Steps are provided to allow children to reach toilets or sinks. - The facility has a designated rest area. The minimum space between rest equipment is at least 46 centimetres. All nap equipment is washable and non-absorbent. - Outdoor play area is maintained safe. There is no stationary equipment in the exterior parc. There is shade to protect the children from the heat of the sun. - Observations: Upon my arrival the children were coming in from outside. Handwashing, free play and lunch. An educator read a story to the children before nap time. All children present had a nap. - Discussion with the administrator concerning the exterior parc. Recommend adding material to the exterior zones in the parc.
