General Comments
<ul style="list-style-type: none"> <li>- Visit to facility for a monitoring inspecton.</li> <li>- Ratio was respected during visit.</li> <li>- Public health guidelines during recovery of COVID pandemic are being respected by the facility.</li> <li>- Each child has it own individual space to put their belongings.</li> <li>- The cleaning supplies are stored in a locked space.</li> <li>- Measurement were taken for the 3 year old room. A reorganization of the locker room will have to be done to accommodate the amount of children.</li> <li>- Two year old room I recommended to bring documentation lower so that it is at children's eye level. This provides opportunities for children to revisit the past experiences and can extend and expand their learning.</li> <li>- In the four year old roomI saw an invitation set up for when the children arrive in the morning and throughout the day. Children were into volcano's and dinosaurs, educator observed engaged with children at their level providing support and having conversations.</li> <li>- In the infant's room children were coloring, educators were at their level talking about the children's art.</li> <li>- In the tree year old roomI saw evidence of purposeful planning based on children's interest and learning, photos and learning stories were posted.</li> </ul>
