General Comments
<p>Visit to facility to complete annual inspection. Ratio was respected during visit.</p> <p>Revised COVID-19 guidelines, facility is following recovery phase recommendations.</p> <p>Administrator showed me part of the play structure they had blocked off due to a crack in the plastic. They have already made arrangements for it to be repaired. I recommended this side of the play structure be blocked off with caution tape until fixed.</p> <p>Observations during visit:</p> <ul style="list-style-type: none"> -Children in most groups were playing outside upon arrival. - Some infants were playing a velcro activity with the educator. - 2's were playing cars and dancing. - 3/4's were having lunch. - 4's were participating in sing-along with educator. <p>-Facility is awaiting fire and health inspections, once these are completed licensing will be recommended for another year.</p>
