<b>General Comments</b>
<p>Monitoring Inspection:</p> <p>Children and educators observed during indoor play, outdoor play, snack time, and transition times this afternoon.</p> <p>Each environment is set up with a variety of materials and invitations for children to explore. Purposeful planning is evident in each environment through documentation, materials added, planned activities and invitations.</p> <p>Educators observed engaging in play and meaningful conversations with the children.</p> <p>Discussed with school-age educators ways to incorporate an open ended art activity rather than colouring pages. Recommend setting up an invitation that encourages children to create their own colouring pages. Children's drawings can be photocopied to create a group colouring book to share. Examples of materials to add white paper, black sharpies, rulers, etc.</p> <p>Cheese and crackers were served for snack. Ensure when serving snack that food is served on plates or napkins rather than directly on the table.</p> <p>Hand washing routines observed. New staff files (5) reviewed. All required paperwork in place.</p>
