Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments

On the day of my visit the program was managing their Covid-19 requirements exceptionally well. The number of children in the center was greatly reduced and each room was restricted to 15 children. The travel routes within the center were changed to ensure that children had reduced contact with other groups and YMCA patrons, Covid-19 signage was evident cleaning and disinfecting was greatly increased.

Postings need to be updated as the license begins to resume somewhat normal operations.
