### General Comments

On the day of my visit the preschool program was functioning very well. I was properly screened and all Covid - 19 protocols are being followed. The children had snack and then they were painting salt dough ornaments that they had previously made. They have outside play in the Kiddies Kollege outdoor play area on Fridays. Today the program swam first thing this morning and will play outside before pick up weather permitting.

They have been using the Play to Learn programming and their interests are fairy tales, snow and Christmas.
