### General Comments

Regular monitoring inspection was performed on this date.  
Infants were down for their afternoon nap upon arrival of licensing staff. Nap checks are being completed and were up to date. Infant bottles were stored in the fridge and were labeled.  
Diaper changing area was clean and well maintained. Diaper changing procedures were posted, and all children's items were stored separately.  
Children in the 3/4-year-old classroom do not nap during quiet time and were enjoying playing with magnatiles, cars, costumes and were observed in the kitchen area.  
New staff files were reviewed and contained all required documentation.  
Positive behaviour guidance was observed at all times.
