<p>General Comments</p> <p>Monitoring report performed. Upon arrival one group of children outdoors playing ball, another group on a walk and the other group indoors involved in a variety of age appropriate activities. Some were drawing, other playing with dolls, building with giant lego blocks and drawing with markers. The operator has oodles of activities available for the children to choose from and rooms are purposefully planned. Appropriate child guidance observed. Staff are engaged with the children and lots of positive conversation observed. Administrative records reviewed and attendance tracked, outdoor check list, fire drills performed and incident reports signed off by parents so they are aware. This centre is well managed and very inviting.</p>
