<p><b>General Comments</b></p> <p>On a Wednesday June 8th 2022, licensing staff arrived at the licensed facility to conduct the license renewal inspection.</p> <p>The operator had the school age children divided into three groups. When licensing staff arrived at the licensed facility, one group of boys were engaging in a very serious game of basketball while another group of children were eating their lunch indoors and a second group of children were engaging in free play activities at the front of the house.</p> <p>All children files are complete with all of the required documents.as soon as they are signed by staff.</p> <p>Two educator files did not contain a Job Description however, the operator will be sending the job descriptions to licensing staff.</p> <p>The children were very happy and loved engaging in sport and Lego activities.</p> <p>The outdoor playground has wonderful shade naturally occurring by a very large maple tree.</p> <p>Licensing staff only hear positive child guidance techniques used throughout the license inspection visit.</p>
