General Comments
<p>Monitoring visit performed. No deficiencies noted during my visit.</p> <p>Upon arrival Licensing staff observed 2 staff and a group of school age children in the outdoor play area. With 2 staff, supervision goes above and beyond and increases the quality of service offered.</p> <p>Children were observed playing basketball and hoola hoops. Some staff were supervising children taking turns playing hopscotch. It is a beautiful afternoon to be outdoors.</p> <p>Administrative records were reviewed - children's attendance, reviewed staff record for updated first aid certificate, outdoor check list is being completed etc. No incidents were reported or documented on the incident report log.</p> <p>Children came indoors to eat snack and the plan is to return outside. Indoors is clean and inviting - all toys, equipment and materials are displayed organized which makes it easily accessible to children.</p>
