<p>General Comments</p> <p>Children engaged in play in each room this morning. Many positive interactions observed between children and educators.</p> <p>Each learning environment is set up with a variety of materials and is well maintained.</p> <p>Documentation is displayed on the walls that highlights the children's learning and interests. Educators have done a wonderful job adding age appropriate loose parts to each environment.</p> <p>Recommend adding some labelled baskets/bins to the dramatic play areas to make this space more inviting for children.</p> <p>Hand washing routines observed,</p>
