General Comments
All documents and files for licensing were easily verified at time of visit. Operator is very organized and has no problem meeting regulations.
There were no children at time of visit as Oromocto Daycare is currently relocating from Iroquois Avenue to Waasis Road. The Quality Insurance Monitor will conduct a monitoring visit once children are present.
The environment is very inviting with many choices of materials and learning centres. The paint and new carpets has really brightened up the facility.
Licensing staff can recommend facility for licensing.
