General Comments

On the morning of my visit the children were in the outdoor play space. The older children were engaged in a variety of activities from riding bikes, swinging and using the water tub. The children had created a pond using grass as seaweed, rocks and had a couple plastic fish in the tub as well.

As the children came in for lunch proper hand washing procedures were observed . The two year old group had story time as their lunch was being prepared. They read "The very Hungry Caterpillar" and "Go Away Big Green Monster"

The facility is clean and there are plenty of materials for the children use.

Staff files were reviewed and updated.

Please remember to complete monthly fire drills and safety check as the ones for May were not completed.
