General Comments
<p>Children were greeted at the outdoor play area entrance when the buses arrived. As the children arrived, they washed their hands and were offered snack. The afternoon snack was popcorn, granola bars, chocolate chip muffins, milk and water.</p> <p>After snack, sunscreen was applied before they children could play and explore.</p> <p>The children were engaged in a variety of activities form drawing with chalk on the pavement, swinging on the swings, driving bikes, climbing on the climbing, and playing soccer. Some children preferred to sit in the shady areas to play quietly and relax.</p> <p>The indoor space is clean and bright. There are numerous plants in the rooms, large comfortable chairs and pictures on the walls to give the space a "home like feeling".</p>
