General Comments
<p>On the day of my visit the children in Groups B & C were watching the Grinch. It is very cold outside today and the groups will only go out briefly if at all. Each group is a bubble and 2 groups share one classroom. I was properly screened upon entry and all covid protocols are being followed.</p> <p>The afterschool children wear masks in the common areas. The programs are open all days except the statutory holidays.</p>
