General Comments
<p>Visit to facility to complete annual renewal inspection. Ratio was respected during visit.</p> <p>Discussion regarding outdoor play area. Now that spring is here, the director and staff have a plan to clean up the outdoor play area and make it more inviting for children. They have set a goal in their QIP to extend the classroom into the outdoor play area.</p> <p>One group of preschool children played in free play, while another group participated in a planned activity. Both groups finished their activities, washed their hands and had lunch. Some children had a nap while other played quietly. The children didn't go outside due to the weather.</p> <p>No school aged children were present during the inspection.</p>
