25 An operator of a licensed facility shall post in a clearly visible and prominent place on the premises: (a) the daily routine. Comments: The daily routine is not posted in one of the classrooms. A daily routine must be posted.	25(a)	May 17, 2022	
31(3) An operator shall maintain the outdoor play area of a licensed facility to ensure the safety of the children. Comments: Protective surfacing was compacted underneath the climbing dome (which requires protective surfacing in accordance with the manufacturers instructions). There are several other play structures in this area, the Inspector asked that the administrator review the manuals to ensure that adequate protective surfacing is maintained.	31(3)	May 20, 2022	
48(2) An operator of a licensed facility may supply food to a child receiving services at the licensed facility that a parent or guardian of the child brings from the child's home if the food is labelled with the child's name and refrigerated, as required. Comments: Not all lunch bags and water bottles are labelled. All must be labelled as labelling bottles and food provided by parents ensures children receive what has been brought in for them by their parent(s)/guardian.	48(2)	May 20, 2022
