| <p>General Comments</p> <p>The Quality Assurance Monitor is on site for a monitoring inspection. The following elements were verified at the time of the visit:</p> <ul style="list-style-type: none"> - Child-to-staff ratio - Children's personal belongings - Indoor play area material and equipment <p>Children's personal belongings are labelled with the name of the child, used only for the intended child, and stored separately for each child. A visual inspection of the indoor play area material and equipment demonstrates compliance</p> <p>During the inspection, children were playing indoors. One educator was reading a story to her group. In another classroom, the children explained to the QAM the life of their little hermit crab pet. All groups then transitioned to outdoor play.</p> <p>The ratio was respected at the time of the visit.</p> |
