<p>General Comments</p> <p>It is evident that the educator provides a caring environment for the infants. She was observed to respond to cues and engaged in play with the child in attendance, sitting with her and reading stories.</p> <p>Documentation of children's learning are posted in the learning environment and in children's individual learning portfolios. Connections to the New Brunswick Curriculum Framework included in written documentation demonstrate an understanding of the values and goals of the curriculum.</p> <p>Discussed with educator adding next steps to current documentation. Challenging her to consider how to extend and expand on favourite activities, new learning and new skills. Considering next steps will support planning and what new activities or materials can be introduced to further expand on children's interests and learning.</p> <p>Discussed with administrator planned enhancements to the outdoor play area and considering ways to bring the indoors out.</p> <p>Ensure the year is added to the date of daily incident logs.</p>
