49(1) An operator of a licensed facility shall ensure that the guidance of the children receiving services at the licensed facility is positive and includes positive reinforcement, encouraging efforts and recognizing accomplishments.	49(1)	Oct 23, 2025	Oct 29, 2025
Comments: An educator was observed not implementing positive child guidance practices. The educator was heard making the following statements to a child: "Did you just drink all of that? You were already told about this!" "No!" "Sit!" "No, sit!" Following this interaction, a child sustained an injury. While the child was visibly upset and crying, the educator was heard saying, "How'd that feel?" The inspector spoke with the on-site Administrator regarding the observed incident. The Administrator immediately entered the classroom to provide support to the Educators. Educators are to review Section 8.2, Child Guidance of the Operator's Manual. Deficiency is now compliant			

General Comments
Follow-Up Renewal Inspection:  The Infants and preschool-aged children were observed participating in a variety of activities, including pumpkin decorating, outdoor walks, handwashing prior to lunch, and group singing. During the singing activity, children engaged with familiar songs such as, Five Little Ducks and Five Little Monkeys, using props and felt board visuals to support the lyrics and encourage participation. The educators were observed having positive interactions with the children.  All deficiencies are now compliant.  The facility is recommended for licensing.
