The Quality Assurance Monitor had a discussion with the operator regarding designation requirements. The operator confirmed that the Quality Improvement Plan is current, and all eligible educators are actively completing their required 10 hours of professional learning per renewal year.

During the visit, the ratio was respected.

The Quality Assurance Monitor observed the children were actively engaged in free play, interacting with blocks, dolls, and the play kitchen. The Quality Assurance Monitor also observed the operator reading the story "Oh, Johnson! In Where to Swim?" to the children. The children were attentive, participating in the reading, and helping to read along with the operator.
