11 The qualifications and training requirements for administrators and educators are as follows: (b) educators must have successfully completed the Introduction to Early Childhood Education course or hold an Early Childhood Education Certificate.	11(b)	Dec 30, 2022	
Comments: The centre has a plan in place.			

<p>General Comments</p> <ul style="list-style-type: none"> - Visit done in the morning at the establishment for a monitoring inspection. - The ratio was respected during the visit. - I observed that the educators used positive child guidance technique, they are respectful to each child rhythm and attentive to their needs. - At the present time there is no stationary equipment in the park. The exterior park allows for different types of play and exploration. Infant and preschool play area is enclosed by a securely gated fence. Infant play area is separate from the other children. - A daily incident log is maintained. The date, time, a brief description of the incident and the parent's signature is visible on the incident report. - Diaper changes procedures are posted in a visible in the diaper changing area, individual space is provided for diapers, cream and wipes and is identified with the child's name. - Rooms are inviting and welcoming, zones have been created with the children's interest in mind. - Observations: <p>Infant room: Diaper changing, children creating art, lunch time and nap time. 2-year-old room: Lunch and nap time. 3-year-old room: Lunch time, free play, and nap time.</p> <ul style="list-style-type: none"> - Discussion with the educator concerning the exterior play area. She mentioned that more material will be added to the exterior parc shortly. The material is presently on back order.
