General Comments

Purpose of visit was for monitoring inspection. Some children were outside in the outdoor play area upon arrival. Children were engaged with the mud kitchen, slides, bridge and pulling and pushing each other in the wagon. Children had their jackets and water bottles available in the outdoor play space. Transition to indoor for snack time was observed.

Children independently placed their items in their cubbies and changed their shoes. Children washed their hands before having their snack. Administrator checked the temperature of a child that appeared flushed to ensure that they were not developing a temperature. Cleaners were observed to be locked and tables were cleaned after snack was over. Children transitioned to the washroom before going outside to the outdoor play area.

Indoor play area had developmentally appropriate materials for the mixed age group in attendance. Fall materials have been added and children's art was displayed throughout the room.
