General Comments
<p>Visit done at the center for a monitoring inspection. Ratio was respected. During the visit, the Quality Assurance monitor verified:</p> <ul style="list-style-type: none"> - incident records - administrative records maintained on site - new staff member's files <p>All incidents are properly recorded, documented and signed by parents so that they are well informed of any incidents that may have involved the child while at the facility.</p> <p>During the visit, children were playing outside. Shortly after they had lunch. Positive interactions between staff and children were observed.</p>
