Order for Compliance	Regulation	Date to be corrected	Date corrected
32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (a) varied and in sufficient quantity for the number and ages of the children receiving services at the licensed facility.	32(1)(a)	Apr 17, 2024	
Comments: At the time of the inspection, the Quality Assurance Monitor observed a lack of art material in one of the infant classrooms. The indoor play area materials, such as art supplies, must be varied and in sufficient quantity for all children present.			
32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (b) arranged on low, open shelves and accessible to the children receiving services at the licensed facility,	32(1)(b)	Apr 10, 2024	Apr 10, 2024
Comments: At the time of the inspection, the Quality Assurance Monitor observed, in one classroom, art material that was stored in a place not easily accessible to children. Indoor play area materials and equipment must be easily accessible on low, open shelves. The administrator immediately moved the art material on a lower shelf to allow children to have easier access. Deficiency is now compliant
