32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (a) varied and in sufficient quantity for the number and ages of the children receiving services at the licensed facility.	020	
Comments: Deficiency is now compliant		

General Comments

Orders for Compliance are now compliant.

Discussed the importance of ensuring the quantity and variety of toys and materials that are available and accessible to the children for free choice daily. This includes books, games, creative art materials and so on.

General Comments

Discussed possibilities for sectioning off the outdoor play space to ensure that each school age group can be outside at the same time, meanwhile, maintaining bubble groupings and not compromising any group.
