General Comments
<p>On the day of my visit I was screened for Covid protocols upon entry. The centre was visibly dirty, disorganized, full of broken toys and a broken table and smelled like mold. The whole building needs cleaned, painted, electrical covers replaced, broken furniture needs thrown out, outside garbage taken to the dump and a dehumidifier put in the basement.</p> <p>There were no invitations set up for the children, there should be at least 5, and I recommend that the Educators review Appendix 24 of the ELCC Manual regarding Equipment and Materials for School-age Children.</p> <p>The postings have not been updated as was recommended during my last monitoring visit and the information the Parent Board is out of date.</p>
