Comments: Deficiency is now compliant			

General Comments

A re-visit was required to check covid guidelines and non-compliances.

On the day of my re-visit, the space was much cleaner. Floors, mats and pillows were clean. Due to the increased cleaning and sanitizing required for covid, I encouraged Catherine to continue to follow the policies to keep her environment clean.

Children had been playing outside this morning in the wet grass from the rain. Children have the space to sit at the table and draw together or sit with little people and play alone. The children are regularly drawn to the digital photo frame to view pictures of their activities or outings. Catherine will join in their conversation reminding them of what they did on certain days.

Catherine has updated all the forms required for covid and I was screened at arrival.
