General Comments
<p>-Late afternoon visit to the establishment for an unexpected monitoring inspection</p> <p>-Ratio was respected during the visit</p> <p>-Cleaning supplies are kept in the storage room but not under key, children have access to the storage room, and they frequently go in to get material. Cleaning supplies will need to be relocated into a space where it's under key and out of reach of children.</p> <p>-Indoor environment provides for children a space that is safe and clean. The material is varied and in sufficient quantity for all children present, easily accessible on low, open shelves.</p> <p>-Guidance of children is done in a positive and respectful way</p> <p>-Discussion with the staff concerning the change in the regulation regarding hot beverages in classrooms, they were told to double-check with the operator where she stands with the change</p> <p>-No medicine is found or given on site</p> <p>Observations: When arriving at the center children were into free play (it was raining outside). The indoor space was divided into 9 different zones, construction and cars, collage, coloring, Legos and magnetic, dolls and kitchen, board games, painting, Barbies with all the trinkets and air dresser.</p>
