Comments:			

<p>General Comments</p> <ul style="list-style-type: none"> -Late afternoon's visit to the establishment for an unexpected monitoring inspection -Ratio was respected during the visit. -All required documents are found on the parent board which is on a tripod stand posted in the daycare entrance. -The administrator as well as all educators have a valid first aid certificate -All four employees file has the required documentation except for one who needs to have the renewal of her vulnerable sector check done. Once received a copy will be sent to licensing staff. -After discussion it was concluded with the staff that weekly planning of activities could be done on a calendar that could be posted on the parent board. A follow-up will be done on the next visit. - Material and equipment proposed to children in the indoor play area are easily accessible on low, open shelves. It is varied and in sufficient quantity for all children present. -Material and equipment offered to the children in the indoor play area is safe, clean and in good repair. -During the visit, it was observed that all educators are engaged with children at their level providing support and having conversations. <p>Observations: Children were just arriving from school when I got to the center, they came in attendance was taken, they washed their hands, had snacks, and went outside to play.</p>
