Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments
On the day of my visit the babies were having water play. Some of the babies enjoyed this a lot and a few did not. They had great pictures posted of the children's experiences with an Aqua Mat that all the babies enjoyed.
The educators indicated that the babies love to dance and always look for a video to go with the music. We discussed that the babies might enjoy watching a video of themselves dancing on the classroom tablet.
