<p>General Comments</p> <p>Follow-Up Monitoring Visit.</p> <p>All children had access to drinking water.</p> <p>Only positive child guidance was observed during the visit. I heard many positive phrases from educators such as:</p> <p>"Good job, you found it!" "Gentle, gentle" "Wow!"</p> <p>Educators were also observed giving hugs, high fives, cuddles and helping the infants with walking, reaching toys, and expanding on vocabulary. I heard an educator help a child say the word "on" by saying, "On? On? Do you want it on?" I also heard educators pointing out colors in the outdoor play space.</p> <p>Music was playing in the outdoor space and all educators spoke to the children on their level with a calm and nurturing tone. Educators were also sitting on the ground playing with the children.</p>
