General Comments
<p>On the day of my visit I was properly screened upon entry and all Covid protocols are being followed. The children were engaged in interesting activities and there were plenty of materials available for Arts and Crafts etc. The NB Curriculum is being used however some of the documentation such as learning stories and child created books are not evident. It could be that the pictures that go home to parents on SeeSaw are taking the place of this however those links to the curriculum are still important to be made.</p> <p>The outdoor play are will be getting more mulch and sand in May and the toys outside the fence will be cleaned up as well as the pile beside the storage shed.</p>
