<p><b>General Comments</b></p> <p>When I arrived the 2-year-old class was playing with the blocks as a group. They then cleaned up and got ready to go outside. While outside they played with the chinks and then came inside for lunch. Lunch today was wraps, nacho chips and kiwi.</p> <p>When I arrived the 3-year-old class was getting ready to go outside. While outside they went on a walk as a group and then came inside. Before lunch the children did a sensory activity with apple sauce and raisins. They talked about the smell, taste, and texture.</p> <p>The 4-year-old group was also going outside when I arrived. They played outside in the sand box. After lunch the children sat in a circle and the educator asked each child to name something they wanted to learn about this year.</p> <p>All the classrooms are clean and well organized and have been updated with natural materials and elements. All the educators were respectful, attentive, and engaged with the children. Lots of positive child guidance observed such has gentle reminders and encouragements.</p> <p>The educators are encouraging age appropriate independence and the children are learning new things and adapting well.</p> <p>Everything is in compliance today; I recommend for renewal.</p>
