General Comments - Visit completed in the morning at the establishment. - During the visit, ratio was respected. - All required administrative records are maintained on site. Daily attendance records for children and staff are maintained on site. Monthly emergency evacuation fire drills are completed. - During the visit, 10 of the 18 children's files were reviewed and verified. The profile and consent forms were completed correctly. - A daily incident log is maintained; parents are informed and sign the daily log. - Each child has an easily accessible space to store their personal belongings, which is labelled with their name and used only for the intended child. - Observations: Upon my arrival, the children were engaged in free play activities. Some children were playing with Barbies, others were exploring dinosaurs, and several were interacting with the sensory bins. The educators were leading a motricity activity. The children went outside to play during the visit. - Discussion with the educator on policy 902.
