<p>General Comments</p> <p>The following elements were also observed during the monitoring inspection:</p> <ul style="list-style-type: none"> -The child-to-educator ratio -The emergency and fire evacuation drill records are indicated as being completed each month. -A maintenance and inspection plan for fixed equipment is indicated as being checked monthly. -The first aid kit inspection is indicated as being completed monthly. -Criminal record checks / vulnerable sector checks, valid first aid certificates, valid CPR certificates, and job descriptions outlining duties and responsibilities were verified for new staff members. -Daily activities include deliberately planned and documented programming. The activity calendar for the month of January is posted at the entrance. At the time of the monitoring inspection, the children were lined up to play a game with paper airplanes. The children shared that they enjoy playing this game. Afterwards, they played guessing games. <p>The quality assurance monitor observed that there were no footprints in the outdoor play area. The inspection took place in the afternoon, and the temperature was -10°C with a few snowflakes falling. The quality assurance monitor discussed with the educator the importance of children going outside to play.</p>
