12(0.1)In subsection (1), an operator of a licensed facility includes: (a) in the case of a criminal record check or a vulnerable sector check, as the case may be, (i) in the case of a corporation or unincorporated association, the directors, (ii) in the case of a partnership, the partners, and (iii) in the case of a limited partnership, the general partners; and (b) in the case of a check with the Department of Social Development, (i) in the case of a corporation or unincorporated association, the directors who have contact with children receiving services in the licensed facility or who manage the finances of the licensed facility, (ii) in the case of a partnership, the partners who have contact with children receiving services in the licensed facility or who manage the finances of the licensed facility, and (iii) in the case of a limited partnership, the general partners who have contact with children receiving services in the licensed facility or who manage the finances of the licensed facility.	12(0.1)	Nov 18, 2026	Nov 18, 2026

Comments: While verifying staff records, the Quality Assurance Monitor observes that a staff member's Social Development check has expired. The Quality Assurance Monitor brings this to the attention of the administrator. The staff member is sent to obtain an updated Social Development check, and a renewed copy is received. Deficiency is now compliant.

General Comments

The Quality Assurance Monitor is on site in the morning to conduct a monitoring inspection. The child-to-staff ratio is maintained throughout the visit.

The Quality Assurance Monitor verifies that the required information is posted in visible locations throughout the facility.

The indoor and outdoor play areas are observed to be clean and free of hazards. A sufficient quantity of materials and equipment is also available to children.

During the visit, the Quality Assurance Monitor observes children engaged in outdoor play, transitioning indoors, washing their hands, and eating lunch. Positive interactions between educators and children are observed, and adequate supervision is maintained throughout the visit.
