General Comments

A renewal inspection occurred on June 18, 2025.
Inspector observed children during inside play, outside play, lunch and preparing for quiet/nap time.
All staff, associated persons and children's files were reviewed and verified complete.
Inspector observed picture of the children hung on the walls depicting the children actively engaged in outside activities such as playing in the sandbox, digging/playing with trucks and cars. Pictures of the children during inside play mark making, creating art, climbing on the indoor wooden climbing structure.
During the inspection the children spent the majority of the time in the outside play area engaged in playing in the sandbox, riding balance bikes down a small grassy hill, playing with paint in the tuff tray, reading a story with their educator.
Educator was observed down at the level of the children actively engaged in their play and learning. Transitions were observed occurring naturally with the Educator giving the children verbal cues that a change would be occurring shortly, giving the children time to complete any activities they were engaged in.

Facility is recommended for license renewal.
