<p>General Comments</p> <ul style="list-style-type: none"> -Visit to the learning center for an unexpected monitoring inspection -Ratio was respected during the visit -The outdoor space is well maintained; the doorways are cleaned and provide a safe environment for the children to play and explore. -Children's guidance is done in a respectful and positive way -The parent is being asked to notify the operator/director the reason why the child is absent, whether it's sickness or another reason -When a child who becomes ill, he/she is supervised and separated from the other children. That child is to be picked up within one hour of notification to parents. -Management of potential illness forms are completed as required, discussion with the director on appendix 11 & 12 in the operator's manual. -Parents are advised when a child has a communicable disease or illness, center does use the notice of illness form (appendix 13, in the operator's manual) -We also talk about the importance to give all parents the appendix 14-Managing illness in ELC facilities- parent' s/guardian's role. -Individual space is provided for all diaper changing necessities, changing surface is safe and covered with a non-absorbent layer. -Each child has an easily accessible space for personal belongings, which is labeled with the name of the child and used only for the intended child. -Measurement's of the new center were taken today. <p>Observations: When arriving at the center all children were getting ready to go outside, they were out for just 15 min since it was very cold. They came in and got ready for lunch and transitioned into free play.</p>
