General Comments
Visit to the facility today to complete the annual inspection. Ratio was respected during the visit. Observations: Upon arrival all of the children were outside either on a walk or playing in the outdoor play area. All children came in, cleaned up and had lunch. After lunch the infants and two year olds had a nap and the older preschoolers had free play. Various types of documentation are present in each room that display the children's interests and what they are learning.
