General Comments -Mid-morning visit to the establishment for an unexpected monitoring inspection -Ratio was respected during the visit -All staff records contain required checks and documentation -Changes in the Legislation was discussed with the administrator -Minor incident reports are maintained -Major incident report forms are kept in the children's files and signed by the parent. The incident form is sent to the Department within 24 hours following the incident and a copy is given to the parent. -Daily activities into the center shows purposely planned and documented programming that gives children, time, and space for a free play experience, indoor and outdoor opportunities for physical activity either individually or in a group. Children have opportunities to explore various forms of literacy and to express creativity and interests, to explore the arts and sciences and to experience accomplishment and success. They have opportunities to problem solve and to develop trusting, respectful and supportive relationships. -In all rooms, evidence of purposeful planning based on children's interest and learning, webbing, invitation, photos and learning stories were posted. -Daily routine into the center includes; Outdoor play time at least once every 4-hour blocks time when the weather is permitting. Meal and snacks are served at the recognized hours and a daily rest period that meets the children's needs. -During the visit, it was observed that all educators are engaged with children at their level providing support and having conversations. Open-end questions are asked and guidance is given in a respectful and kind way -Diaper changing station is found in all washrooms that are in each classroom individual space is provided for diapers and changing necessities. The changing table is equipped with a safety strap and covered with a non-absorbent layer, it is separated from the food preparation and is located one meter or less from a sink and children are always supervised during diaper changing. -Infants are always supervised when eating or drinking -Infant bottles are stored with a cover in the refrigerator, labeled with the child's name and only used for the intended child -Allergy information on any child is posted in the food preparation area -Drinking water is provided throughout the day

General Comments

-There are a lot of projects on their way in the center; Children are exploring and creating art, with the book "Spookley the square pumpkin" another group are doing art with what nature provides for us, one more group has created a Lego wall, since it is a big interest in the room, all rooms have explored and created documentation and activities around the seven teaching animals.

Observations: When arriving at the center children were just finishing their free play period and were transitioning to lunch time, spaghetti was served and it was a success for all the kids. The youngest all got ready for nap time and the oldest children went outside to play.
