<p><b>General Comments</b></p> <p>A renewal inspection occurred today.</p> <p>Upon arrival at the preschool facility, Inspector observed the children playing outside in the snow with their educators. Children were observed jumping in the snow, digging with shovels and buckets and engaged in play with the outside materials.</p> <p>Inspector observed the children transition inside where handwashing after outside play, prior to morning snack was observed. During the transition, Educators were observed singing songs with the children.</p> <p>Snack was observed and educators were seen assisting the children opening their snacks but also encouraging the children to try themselves, with immense success.</p> <p>Inspector also observed the children creating open-ended art using markers, paint, glitter, glue, and loose parts.</p> <p>Inspector also observed the children engaged in scooping and filling dried popcorn kernels in the tuff tray, exploring felt stories, building with blocks, pretend dinosaur play.</p> <p>Inspector observed the educators, engaged with the children in their play and learning, asking open ended questions to enhance the children's learning.</p> <p>Educators were observed by the Inspector speaking to the children kindly and appropriately and using positive child guidance techniques.</p> <p>Facility is recommended for license renewal, pending the recommendation from Fire.</p>
