### General Comments

Monitoring Inspection completed today. When QA Monitor arrived, children were engaged in play in the outdoor play environment. Materials were provided however, children were engaged in play on the outdoor play structures in small groups, and in the field.

In the indoor environment, materials were set up and accessible for children to independently choose activities. Following snack, children engaged in block play and creative art.

Documentation posted in the indoor environment highlights recent activities. Children shared with QA Monitor about their recent tea party.

Hand washing was observed when children returned from outdoor play, and before sitting for snack.

Fire drill records are complete and up to date.
