Address 20 617 Route Burtt's Corner NB E6L 2X3			
Name of Early Learning and Childcare Licensing Staff Angela Tozer		Position Title Quality Assurance Monitor	
Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments
<p>Children engaged in free play throughout the space this morning before heading outside. A variety of resources were located throughout the room and a prompt with children's responses was posted. Evidence of documentation was posted throughout the room with many crafts posted in the story corner.</p> <p>Children cleaned up and got their water bottles before heading outside. Extra water bottles were available for children, if needed. Once inside the outdoor play area, the educators opened the shed to bring out additional toys such as ride-on toys, trikes, a play lawn mower, trucks, tractors, frisbees, balls, and sand box items. The educators got down at the children's level having discussions, encouraging resolutions between children, playing frisbee and I spy, and creating potions and drinks with children in the sandbox. The educators were observed to be kind and respectful to the children and providing praise when noticing this kindness in children to others.</p> <p>After over an hour of play outside, the educators and group returned inside and washed their hands and joined the group for carpet time. One educator began a book as the second educator started preparing lunches. Some children were yawning and having trouble sitting still so the book was stopped to move around and have a discussion. The second educator began calling up children to begin lunch noting the need for more rest for some children. The children washed their hands again before beginning lunch.</p> <p>Some of the protective surfacing under the slide was bare in areas and needs to be replenished and raked.</p>
