General Comments
- Visit completed at the establishment in the afternoon for a monitoring inspection. - Ratio was respected during the visit. - Posted in a visible and prominent place in the facility are the following documents: The licence, inspection report, daily routine, evacuation procedures, name of administrator, name and telephone number of QA Monitor and inspector and when it applies a notice to inform parents of the existence of a communicable disease. - The outdoor play area consists of more than one type of surface to permit different types of play. Outdoor materials are varied and available in sufficient quantity for all children present. The outdoor play area is maintained in safe condition. - The following administrative records are maintained on site: financial records; daily attendance of children and staff; monthly emergency evacuation and fire drill records; and inspection and maintenance records for smoke alarms, smoke detectors, and fire extinguishers. Monthly emergency evacuation and fire drills are completed. - A daily incident log is maintained. - Diaper changing station is in the washroom. Each child has an individual storage space for diapers and changing supplies. Children are always supervised during diaper changing routines. - Observation: During the visit naptime and snacks were observed.
