General Comments

- Visit completed at the establishment in the morning for a monitor inspection.
- During the visit ratio was respected.
- A first aid kit and a phone are always accessible on site and during outings.
- All children's files have been reviewed, and both the profile and consent forms are completed properly.
- Each napping child has a nap mat that is appropriate for their height.
- There is a space of at least 46 cm between rest equipment, and all nap equipment is washable and non absorbent.
- Each child has an easily accessible space to store their personal belongings, which is labelled with their name and used only for the intended child.
- Toxic products and cleaning supplies are locked and inaccessible to children.
- Observations: During the visit, the children participated in free play activities, including playing with Mr. Potato Head, creating art, constructing with boxes and making animal sounds. The educator was actively engaged in the children's play. She sat on the floor with the children, offered them choices, and engaged them in meaningful conversations throughout their play experiences.
