General Comments
<p>The Quality Assurance Monitor is on site for a monitoring inspection. During the inspection, the Quality Assurance Monitor was able to observe the children during snack time and during their outdoor play. The Quality Assurance Monitor was able to inspect the indoor play area and materials. All of the required posted documents were accessible and visible in the facility. The ratio was respected at all times during the inspection and the Quality Assurance Monitor was able to observe the interactions between the educators and the children. Positive child guidance was observed and during the visit the QA Monitor was able to observe educators attentive to the children's needs.</p> <p>The Quality Assurance Monitor had a discussion with the operator regarding the swing attached to the tree out back. The operator has shared that the daycare children are not allowed to use the swing and that it is for her daughter after hours. The QA Monitor has reminded the operator of their responsibility regarding play equipment and material. The operator has also shared that they will be going through the outdoor play area to make sure all of their play material and equipment are in good repair.</p>
