QAM observed children leaving for a walk. The other children were preparing to go outside and play. QAM observed staff dressing the infants and discussing appropriate clothing for the weather today.

QAM inspected 8 child files. All were in compliance.

Children were observed coming in from outside to use the washroom with a staff. They came in as a group, and during their entry one child became upset and wanted their parent. The staff provided reassurance that their parent would return and gave them a hug.
