General Comments
<p>Monitoring visit performed.</p> <p>Licensing staff was inspecting PT preschool program today and also entered the FT centre to check ratios. All children were either napping or having a quiet time. The older preschool children were on their mats and were watching a Christmas movie.</p> <p>Operator has several children out sick this week with cold symptoms and a few confirmed cases of RSV. The Operator has also stepped up her cleaning and sanitizing of toys, equipment and other materials. Parents are keeping children home when sick also which will be helpful in reducing transmission of disease.</p> <p>Administrator records were reviewed, and child attendance is being tracked. Please remind staff to enter reason for child absences on the attendance record. Staff information was also reviewed and fire drill records are being completed.</p>
