Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments
<p>On the day of my visit Holly screened me upon entry and took my temperature. The children were playing at table top activities while the youngest was napping, then they had snack, and went outside to play. Both the inside and the outside play areas are very well up for the children's use.</p> <p>Holly used to offer extended care but she has not offered this service for the last 8 years.</p>
